

Dennis Goldberg

Full Stack Developer

+972 52 522-9843 | Tel-Aviv | Email | GitHub | LinkedIn | Portfolio

Professional Experience

2023 - Present **Frontend Developer at Realcommerce, Tel-Aviv**

- Developed responsive and interactive client-side applications for a major pharmacy chain's cash register and self-checkout systems using React over TypeScript
- Collaborated with backend developers, UI/UX designers, and other teams in an Agile environment to ensure seamless integration and optimal performance
- Applied strong debugging skills to identify and resolve issues promptly, ensuring a smooth user experience.
- Utilized browser developer tools and Redux DevTools to inspect, trace, and debug application behavior

2022 – 2023 **Front End Developer at Bridgify, Tel-Aviv**

- Collaborated with design and product teams in an agile environment to transform designs into a responsive web application using React, Typescript and Redux Toolkit
- Worked with back-end developers to integrate UI components with APIs and databases
- Took ownership of an automated system deployment on AWS
- Tested React components using Jest

Technical Skills
